TUTORIAL SUMMARY

Plot Structure

-Every Comic needs a great story and every store needs a plot structure

-Plot structure is a sequence of events that keeps readers wanting more

-A good plot structure contains ups and downs

-Essential elements should include:

1. Introduction – Highlight the main character

2. Problem – State the issue

3. Climax – Rise in action

4. Resolution – Problems resolved

5. Lessons learnt – Reflection and the ending
